St. George Minor Hockey (SGMH) relies on the generosity of local businesses and community partners to help keep our programs top notch and affordable for our youth. Your sponsorship of our organization does make a difference. Come to the rink on any Saturday in the winter and watch children having fun while learning hockey skills, team work, responsibility, and sportsmanship. In addition to regular team play and player development, we offer our youth the following opportunities:

- **VOLUNTEERING:** Last year we began using many of our senior players as Junior Coaches to assist with younger teams. This gives the older players a chance to learn the joy of volunteering and accumulate hours for their high school requirement. It gives our younger players a role model within the organization, and a sense of where hockey can take them.
- **FIRST JOB:** Many of our players go on to become first Junior Referees, timekeepers, gatekeepers, etc.. This program helps increase confidence in those youth, and provides them with an opportunity to feel the pride of earning their own money.
- **NETWORKING:** The chance to meet and play against players from other communities, whether through regular season play, tournaments, or OMHA playoffs.

For this coming season, we expect to have 11 teams, including 5 – “DD” level OMHA Representative teams. With our efforts to expand our programs and our desire to keep fees affordable for all members of the community, we are respectfully requesting that you consider a \$300 to \$1000 sponsorship to our program. The attached documentation explains the different sponsorship packages available and how we will advertise your business to the public through different methods. If a donation within the aforementioned range is not appropriate at this time, perhaps you would consider a smaller amount. Cheques can be made payable to *St. George Minor Hockey Association*; and with the completed sponsorship forms (below) sent to the above address to my attention. If you would like further information please contact the association at StGeorgeGenerals@gmail.com or call (905) 746-8468 to speak to John Johnstone, our sponsorship coordinator.

Thank you very much for your consideration.

Yours truly,

Trevor McLean

President, St. George Minor Hockey Association
